

## COMPANY CHALLENGES

## Challenge

December 2, 2021

9:00 AM - 5:00 PM

### Who

Rabobank is a cooperative bank. There are almost ninety local Rabobank's in the Netherlands, which each operate with a high degree of independence so they can better serve their customers and local communities. Rabobank also has sizeable international banking operations. Rabobank wants to be a part of building a better living and working environment for and with its customers. Their prime mission is to help achieve their customers' ambitions. They also feel a sense of shared responsibility for their customers' growth.

### What

- One day design sprint
- On location at the company
- Working together in a multidisciplinary team of fellow students

*Nowadays, the gap between digital and physical life is widening, but nonetheless Rabobank is committed to maintaining contact with the community. How can they bridge the digital divide in financial services with physical banks more and more disappearing out of the streets?*

### Where

Enschede

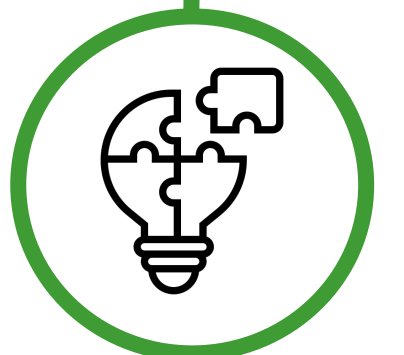

Exact location to be determined

### Why

Gain valuable work experience

Make impact with your ideas

Meet like-minded people

Receive a certificate-of-participation
